

Bulletin #9

27-Jan-05

Subject: Claims against legality of a competition vehicle. This Bulletin amends rule 8.3.D.

Overview:

The rules, as written, stipulate that claims against the legality of a competition vehicle must be lodged before the first car leaves the first time control. This stipulation is suspended.

Competitors may lodge a claim (protest) against a competition vehicle until the time when the scores are posted as final. At the end of each event the competition vehicles will all be held in Parc Ferme until the scores are posted as final.

It is the intention of Rally America to inspect the cars for safety compliance, including but not limited to, weight and restrictor size prior to the event. If a competitor, wishes to file a claim against another competitor for a alleged class violation, it may be done at Parc Ferme.

Stewards may interpret this bulletin as necessary to resolve penalties or protests.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Divers will be answered in writing.
