

Bulletin #4 11-Jan-2005

Subject: Group N in Regional Championship

Overview:

This bulletin applies to the 2005 Rally America Rule Book in general.

The 2005 Rally America Rule Book makes numerous references to Group N being eligible for national competition only. Group N will be an eligible class in both national and regional championships.

Organizers will be free to combine undersubscribed classes at their events, yet Rally America may break those classes back out for the purpose of calculating class points for regional championships.

Stewards may interpret these references as necessary to resolve penalties or protests.

Questions regarding these references received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
