

Bulletin #11 01-Feb-05

Subject: Stage Start Interval. This bulletin eliminates Article 1.7.E.5 of the 2005 Rally America Performance Rally Rule Book.

Overview:

In an effort to promote fairness for ALL competitors, Rally America makes the following change to the 2005 Rally America Performance Rally rules. Delete article 1.7.E.5. This article was as follows and is deleted in it's entirety;

5. Stage Start Interval: The first n vehicles will start every stage with a minimum 1-minute additional interval to the vehicle ahead. N is the number of drivers scheduled to start the event that possess a SpeedFactor of 0.95 or better earned in the class of the car entered. The number n is established at the start of the rally and will remain the same for the entire rally.

The Organizers are free to change the stage start interval during the course of the event as conditions warrant. The rule of force majeure will apply should the interval be extended after the first car.

Stewards may interpret this bulletin as necessary to resolve penalties or protests.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
