

Bulletin #14 **24-May-05**

Subject: Logbooks. This bulletin modifies Article 6.1.B of the 2005 Rally America Performance Rally Rule Book.

Overview:

NASA log books will also be accepted at Rally America events.

Note the article 6.1.A stipulates that a vehicle must only have one log book. This means that if a vehicle has been issued an SCCA, CARS, or NASA log book there is no reason for a Rally America log book to be issued for that vehicle.

Stewards may interpret this bulletin as necessary to resolve penalties or protests.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
